The dividend distribution of total NT\$7.6 per share, including a cash dividend of NT\$7.0 and a capital increase of NT\$0.6, has been approved in CyberLink's Annual General Shareholders' Meeting. CyberLink's Board set August, 17th, 2013 as the record date for the dividend.

About CyberLink

Founded in 1996, [CyberLink Corp.](http://www.CyberLink.com) is the world's leading multimedia software company. With over 100 patented technologies that provide a solid foundation on which to continuously revolutionize the way multimedia is experienced, CyberLink's visionary outlook has allowed the company to grow rapidly. This ultimately led to a record-breaking IPO on the Taiwan Over-the-Counter Exchange (OTC: 5203) in 2000. CyberLink is currently listed on the Taiwan Stock Exchange (ticker symbol: 5203.TW).

CyberLink's broad portfolio of multimedia applications can be categorized into two main areas: **Media Entertainment** – PowerDVD being the flagship product in this category,

provides the latest in media playback on PCs, across devices in the home network, and on-the-go with portable smart devices; and **Media Creation** – offers a series of software to create enticing videos & photos, author Blu-ray & DVD discs and more. CyberLink has built strategic partnerships with leading CPU and GPU providers and a solid reputation for delivering high-quality, interoperable, and fast time-to-market solutions that keep our OEM partners from top PC brands on the leading edge. CyberLink's worldwide headquarters are located in Taipei, Taiwan, with regional operations offices in North America, Japan, Europe and Asia-Pacific. The company has 700 employees worldwide, with more than 500 engineers in product design and development.
