[YouCam Perfect](#), CyberLink's fast-growing selfie beautification app for Android and iOS devices, has hit over 10 million downloads and 3.1 million MAUs (Monthly Active User) in just eight months. Following on from the success of YouCam Perfect, in August 2014 CyberLink released [YouCam Makeup](#), a virtual makeover app with face detection and beautifying technology, which has also been receiving excellent market feedback.

To date, CyberLink's mobile apps have amassed over 15.3 million downloads and 4.9 million MAUs in the last month. Both app sessions (the number of instances of use per installation) and user retention rates are high. Additionally, CyberLink has just released its free messenger app "[U](#)", fully leveraging its expertise in digital multimedia to differentiate it from other apps in the

messaging category.
